The PREZ SEZ N3EAY

Well here it is, June* already. I didn't think I'd make it to summer. I was about ready to build an ark. I just could not figure out what band a long-wire, 630 cubits long, would be in. After hours of exhaustive computations, the sun came out.

June kicks off our summer activities. Core States, Paddlerama, Abington's disaster drill, etc., etc. This is the time we need our volunteers the most! Hope to see YOU out there!

Our club is moving upwards. We have changed to a newer, higher power repeater. We added all kinds of bells and whistles. And there is more to come such as an auto-patch, and a link to 450 MHz. Spencer is still alive and well and we will have an auto-patch. Will wonders never cease?? We are getting more recognition for the deeds that we do. We have recently been recommended, as a service club, by such personalities as Walt McDonald of Shadow Traffic (formerly with Arco Go Patrol). Our volunteers have made appearances in publications, as photographed during an event, and even made brief entries into television news. It pays to come out. One never knows when one is going to become famous!

Hamfests are in season. This will cause our Swap-Net to take a back seat until the fall. We hope to see you all back after the summer.

Well, it's time for me to be at T-Ball, or fixing the pool, or some other "honey-do," so I am going to sign. Here's hoping that this is the beginning of a safe and fun summer for all of us.
